

# Can You Find Me?

## Headstone Scavenger Hunt

This scavenger hunt is geared for **ages 4-8** with simple and recognizable motifs found on our headstones and around the cemetery. There is no right or wrong answer and many of our symbols have multiple examples scattered throughout the cemetery. The object is to get them looking for shapes, colors, and objects.

As you walk around, check them off!

\* Note to parents: Please do not let children climb on the headstones or run freely through the cemetery. There are gopher holes that small feet can fall into and buried tree limbs/divots that can be tripping hazards.
