

## Can You Find Me? Headstone Scavenger Hunt

This scavenger hunt is geared for **ages 9-13** with more advanced skills needed to find these examples in our cemetery. Some have multiple examples – see if you can find more than one of each kind!

As you walk around, check them off!

\* Note to Scavenger Hunters: Please do not climb on the headstones or run through the cemetery. There are gopher holes and buried tree limbs/divots that can be tripping hazards.
